Amy –

When Superfund's Frances Kwok was date-stamping and preparing to send out the signed letter to the Mayor of San Francisco, she noticed that the **Mayor's first name is Mark and not "Mike" Farrell**. I have attached a revised letter with the Mayor's first name corrected. My apologies for us not catching this error in the Mayor's first name until now.

Please let me know when the next opportunity is for Mike to sign this revised letter when he is either in the SF or Los Angeles Office.
